## News & updates

August is upon us and I have been very busy the last month adding a lot of new colors of Seed Beads, Crescents, Bars, Lentils, Superduos, Triangles, Diamonds and Demi Rounds. I have also added to the inventory two hole Bricks. New classes will be added this month and also the very popular \$10.00 Make-and-Take. I will also be having a new teacher with a new technique on December 1, 2018. Ameer Sweet-McNamara from Ameer Runs with Scissors will be here teaching Micro-Macrame, we will all be starting out on the same level as this is new to the store so join us for a great learning experience.

The store will also be closed this month on August 5th as I will be celebrating my grandchildren Myles (9) and Natalie's (3) birthday and on Sunday August 19 as I will be taking all 4 grandchildren to Edaville.

Enjoy the rest of your summer everyone and I hope to see you all soon!

**Boho-Bombshell Earrings**  
**Saturday, December 1**  
**@10:00am**

Forget wooden-eyed owls and burlap-textured plant hangers... this ain't yo' mama's macrame! Amee Runs with Scissors makes Micro-Macrame fast, fun and fashionable. Books on the subject can be a confusing jumble of diagrams and videos sometimes omit the "secrets" that make the work easier. Join Amee and learn how simple it is to weave two basic knots into these swiny, lightweight earrings. All levels are welcome.

You can now sign up for the classes on the website. When you click on the link it will send you to a screen where you can send me a message to let me know your interested and I will contact you.

A deposit will be required for all classes.

Because I make kits for most of my classes I need a head count to be sure I have enough kits available for purchase.

Thanks for your understanding in this matter.
