I am implementing a new class policy in effect starting July 1st.

A \$10.00 deposit will be required for all classes (Sunday make and takes excluded) and also give me a call, or email me to let me know you will be attending, I will take your credit card information over the phone for the deposit or stop by to drop it off, I always enjoy the company.

Because I make kits for most of my classes I need a head count to be sure I have enough kits available for purchase.
