Well here we are, January 2019

Here we are in 2019 and I sure do have a lot in store this month and for the rest of the year.

I am starting out with a challenging RAW (right angle weave) CRAW (cubic right-angle weave) 6-week workshop, I am going to try to start selling beads and supplies on my website and I have 3 guest teachers lined up for this year.

I hope everyone has a happy and healthy new year and I thank you all for your continued support, it is greatly appreciated.
