## Springtime

I really enjoyed typing that!!!! I know it's not officially here but we're getting close, closer than we were last month. Humor me I'm trying to be positive here.

So lots of things are happening now and in the next few months, so let's start with:

The store will be closed Sunday, March 17 and will reopen Tuesday, March 26 for a much-needed vacation.

The samples are here for Kim Stasis class in June so registration is open, you can call the store to be put on the list or you can stop in to see the samples, of course, the samples are amazing in person.

Amee will be here this Saturday for her Bling Blossom Class, there are still seats available if you would like to join us, just call to reserve your seat.
