

June Newsletter

I hope everyone had a great Memorial Day weekend. The store was closed for the weekend and I sure did enjoy the time off with my husband, we don't really get to spend time together so we took advantage of it and enjoyed each others company.

There's a great class lineup for the summer months and a lot of learning is going to take place. If anyone wants to learn a particular stitch just let me know, we can either set up a one on one or I can put it in the line-up of classes. Coming in July I am working on a Peyote Workshop.

There is going to be a giveaway this month for a Silaba Bead Board so read till the end for more information and there will be more giveaways coming for the summer.

Please call the store to reserve a seat for any of the classes. I always want to be sure to have enough kits for everyone. (508) 763-2000

There are still seats available
