

Classes will be held on Wednesday nights at 6pm and Thursday afternoons at 1pm. In order to abide by the social distancing requirement, I will only be able to have a maximum of 5 people per class. Because of the class size, and in order to be sure everyone gets a seat I will have to require that the class be paid in full at least a few days before class is scheduled to hold your seat.

Please call 508-763-2000 to schedule for any or all classes. If for whatever reason you cannot make the scheduled date just let me know, we can always pick a different day and time if you would like.

I figured I would change it up a bit and have an instant gratification project. This is not a bead weaving project this is a stringing project so if you have any friends that would like to try their hand at beading this is a great class to introduce them to it.
