Hold on to your hat because the September line-up of classes are amazing!!!!

The classes will remain on the same days again for this month. Wednesday Nights and Thursday Day. Eventually it will go back to just Wednesday, day and night. I will take a poll if Wednesday day works or if the Thursday is better.

I am also including an intermediate to advanced class once a month either on a Saturday or Sunday. This month's class is the Tassel Necklace and I already have a class scheduled for October. See the end of the newsletter for information.

Call to reserve your seat as space is limited due to Covid-19 guidelines. (508) 763-2000.
