**I want to start by thanking everyone that attended classes in July, however, I am so sorry that I had to disappoint a few people as two of the classes sold out. Everything worked out well, so for this month I will add 2 more seats per class, but do not hesitate to reserve your seat.**

It was requested by a couple of customers that they would like a challenging project, so I am going to add one intermediate or advanced class per month which will be held on a Saturday, and depending on the project it could be a all-day class.

This month we will be working on beaded bead projects, most of them are quick and easy but some will take time. The Cathedral Pendant will be the intermediate project for the month staying in tune to the workshop.

**Call (508) 763-2000 to reserve your seat, classes need to be paid in advance due to limited seating**
